It's My
Free Ride Home!***

Why License Your Pet?

- **It's a Free Ride Home.** If your pet is picked up and has a current license tag attached to its collar, it will get a ride home instead of an overnight stay at the kennel where owners will pay a fee.
- **Prompt Medical Attention.** If your pet is found injured, a license is a life saving identification.
- **Lost Pets Can't Call Home.** Give your pet a voice to find its way home. A licensed pet allows Animal Control Officers to reunite lost dogs and cats with their owners.
- **It's the Law.** All Bernards Township Dogs and Cats must be licensed. An unlicensed pet penalty begins at \$75. It costs a lot less to license your pet.
- **Rabies Prevention.** Licensing ensures pets are up to date with a rabies vaccination.
- **Helps Homeless Pets.** Your pet's license helps Bernards Township Animal Control support animals waiting to be adopted in need of medical treatment, housing and supplies.
